SEND and Inclusion Support Model

Family → **School**

SEND Local Offer
The SEND local offer is the website where you can find information about all of the support available for children and young people with SEND. www.norfolk.gov.uk/localoffer

The Norfolk SEND and Inclusion Support Line
A support line open to parents and professionals, offering information, advice and guidance on SEND and Inclusion. 0333 313 7165

Team around the School (TAS)
A team of professionals connected to each zone. They ensure individual children or groups of children in a school receive the right support at the right time in a joined up way. They can also call in expertise from other professionals where needed.

Team Around the School Meeting
The zone team will have regular meetings with schools to identify children and young people who would benefit from extra support and will help schools to provide this support.

Way Forward Meetings (WFM)
A meeting where families and professionals can make a plan together to prevent a child's needs escalating. This will usually mean updating anexisting SEN support plan. These will be offered where it looks like needs are escalating, or where the next steps for a child are unclear.

Zone Inclusion Partnership
Termly meetings in each zone where schools come together with other zone professionals to better understand need in their local area and to share best practice.

Strategic Meetings
Meeting with trusts and large LA Maintained School federations leaders using data to further develop the strength of the Norfolk school system and champion inclusive practice.
